

EAST STRATFORD RESIDENTIAL COMMUNITY ASSOCIATION, INC.

POOL AND TENNIS COURTS RULES AND REGULATIONS

The purpose of these Rules and Regulations is to promote the safe operation of the East Stratford Residential Community Association community swimming pool. The safety of pool patrons rests upon the reasonable conduct of each individual, proper parental supervision of children, and acknowledging the authority of the Pool Manager on duty to enforce these rules.

Nothing in these rules is intended to diminish parental responsibility for their children. Non-swimmers and novice swimmers require additional attention, for which neither the Association nor Pool Management assume responsibility.

The Pool Manager and assistants have been given complete operational authority at the pool. The Manager and assistants, by contract, are responsible to the Board of Directors, and should not be given direction by Association members. If you have a concern or complaint, please contact the Association's management company, Sequoia Management Company, or current management company, listed below.

When the pool is to be closed for a special event the times and dates of the closure will be posted prior to the closure. Such events may be limited. From time to time, the pool will be closed for repairs and appropriate inspection by County or State officials.

This is your facility. Enjoy it in good health. Thank you for your cooperation.
