This questionnaire should be submitted along with a Nomination Petition, to the Secretary of the East Stratford C&D Homeowners Association. The intent of this questionnaire is to allow owners an opportunity to review all candidates and make an informed decision prior to the Annual Meeting. Owners will be provided an opportunity to ask questions at the Annual Meeting prior to the voting.

This questionnaire will be posted on the East Stratford website (www.eaststratfordhoa.com) prior to the Annual Meeting for owner's review. Please complete this questionnaire as you see fit, since all information is voluntary.

1. What is the main reason you decided to run for the Board of Directors?

I want to be involved in my community to help maintain a safe, clean and orderly neighborhood. I believe that we all should be proud of where we live.

2. What skills and/or experience do you think you could offer as a Director to help the Board of Directors resolve any issues that come before the community?

I previously worked for a law firm that dealt with Homeowners' Associations. I understand and am familiar with the issues that the Board of Directors will encounter and may need to resolve. I've seen both sides of the coin, one as an advocate for HOAs and now as an actual homeowner in this HOA. I still work in the field of law but now in the capacity of public service.

3. What are some of the specific goals/plans that you would like to see implemented while serving on the Board of Directors?

I would like to see more oversight in the maintenance and cleanliness of our community. We need more dog waste stations and uniform trashcans in the neighborhood.

4. What would your approach be to keeping residents informed and listening to the residents of our community?

I think being active on social media platforms like Facebook and Twitter is a great way to keep all of the residents connected and informed. For those who do not have such accounts, we can still send out emails and/or text messages.
